# OUR APPROACH

*Education is at the heart of Saint Luke Institute's mission.*

We are a global educational resource supporting the psychological, behavioral, and spiritual health of all those in ministry.

We provide educational resources in a variety of formats that are rigorously developed and professionally presented by leaders who are experts in their fields – experts who specialize in working with clergy, religious, and pastoral personnel.

Our content can be utilized in a variety of settings including ongoing personal formation, days of reflection, seminary formation, and parish staff development.
