

SAINT LUKE INSTITUTE

8380 COLESVILLE ROAD, SUITE 300 · SILVER SPRING, MD 20910-6264 · 301-445-7970 · SLI.ORG

Psychodramatist

Saint Luke Institute, an independent, international, non-profit, licensed mental health treatment center dedicated to healthy life and ministry for priests, deacons and consecrated religious, is seeking a talented, creative, energetic professional to provide psychodrama therapy in our growing intensive outpatient treatment program.

We are hiring a therapist who works well as part of a multi-disciplinary team and has experience leading therapy groups. In addition to psychodrama, qualified candidates may have opportunities to conduct psychoeducational and skill building groups, as well as work individually with clients.

We are a fun, supportive work environment with numerous opportunities for interesting clinical work and professional growth. Our program is growing, so it is an exciting time to come aboard. Our values of flexibility, strong work ethic, and collaboration, as well as our recognition of the importance of work/life balance make this a great place to work!

Benefits include supervision, on-site parking, administrative support, and free on-site continuing education modules that meet all licensure requirements. Our office is conveniently located close to the Silver Spring Metro station.

Compensation is commensurate with experience. This is a contractor position.

Qualifications

- Master's Degree in Expressive Arts Therapy with specific focus in Psychodrama, Sociodrama and Sociometry or Master's degree in Mental Health with at least 400 hours training in Psychodrama, Sociodrama and Sociometry as approved by the American Board of Examiners in Psychodrama, Sociodrama and Group Psychotherapy.
- If not a Certified Practitioner of Psychodrama, the psychodramatist will be responsible for receiving regular supervision under a trained Certified Psychodramatist (TEP or PAT).
- Applicants should be licensed or certified by the appropriate governing professional organization in their area of expertise.
- Ideal candidate will have 3+ years of experience. Experience must include work with psychiatric populations; Experience with personality disorders and addictions a plus.
- Solid verbal and written communication skills and attention to detail are important.

Qualified candidates should send a cover letter and CV to resume@sl.org. Questions should be directed to the same email address. EOE.
