"There is nothing better than helping people know that they are **loved by God**. To me that is the core of The Gospel.

We are called to share that love with others. We cannot do that if we don't experience that love ourselves. We cannot do that well if we are struggling with significant emotional or spiritual challenges.

Saint Luke Institute helps a person become free enough to experience that love of God, and to share it in joy."

– Msgr. William English
Saint Luke Award 2025 Recipient
