WELCOME FROM THE PRESIDENT

Dear Friends,

It is an honor to serve as the new President and CEO of Saint Luke Institute. I am extremely grateful for your support and friendship as we gather to celebrate the extraordinary legacy of Msgr. Bill English.

In a world marked by growing complexity and stress, the need for holistic mental health care, where clinical excellence meets spiritual healing, is more critical than ever. At SLI, this transformative work is carried out daily by our exceptional team, whose compassion and professionalism shape every client's journey toward renewal and hope.

I extend heartfelt thanks to our Board of Directors for their steadfast leadership and generosity. I am especially grateful to Christine Gill, Chair, and Terry O'Donnell, Vice Chair, for their outstanding support for this year's Annual Benefit.

To our longtime friends, thank you for your enduring commitment. And to the new friends we have been blessed with in recent months by Father Bill, your presence tonight is a joyful tribute to the mission we share.

With gratitude,

Rev. Patrick J. McDevitt, CM, Ph.D.

OUR MISSION

Saint Luke Institute is an independent, international Catholic mental health treatment and education center dedicated to healthy life and ministry for priests, deacons, and religious. We bring the healing ministry of Christ to those we serve through integrated psychological and spiritual treatment and ongoing education about mental health in ministry.

ABOUT THE AWARD

Presented annually near the October 18 Feast of Saint Luke, this award honors an individual whose professional or charitable work reflects the Institute's mission: restoring spiritual, emotional, physical, and intellectual well-being. Inspired by Gospel values of compassion, charity, and unity in Christ, the honoree exemplifies healing in service to others.
