WELCOME FROM THE PRESIDENT

Dear Friends of SLI,

On behalf of our Board of Directors and dedicated staff, who make tonight's celebration possible, thank you for your support of our mission through your prayers, financial gifts, and the many other ways you help us serve the clergy, religious and others that come to us in search of mental wellbeing and spiritual renewal.

We have many reasons to be grateful this evening! We are blessed to honor **Sr. Mary Bader, DC**, tonight with the Saint Luke Award. We celebrate her dedicated ministry of care for the poor and marginalized in the Greater DC area.

We also inaugurate **a year-long celebration of our 50th anniversary, ([SLI.org/50](https://www.sli.org/50))** the living out of our mission to support mental health and spiritual care needs of clergy and religious - a foundation upon which we stand and build.

In bold faith, tonight we step into SLI's future through the public affirmation of our ***Healing Hearts, Renewing Hope: 2030 plan*** ([SLI.org/hh](https://www.sli.org/hh)) that has been collaboratively shaped by our staff and Board over the past year, providing us a data-driven and visionary path forward in our call to "heal the healers."

Each in their own way, these beautiful celebrations tonight point us back to the comprehensive and personalized treatment and support we provide for all those in our care. All of this is possible because of you, our generous supporters! Together we are ***healing hearts and renewing hope!***

Gratefully,
Rev. Patrick J. McDevitt, CM, Ph.D.
President & CEO
